The Group List is a concise directory of over a thousand therapy groups in Los Angeles county, edited by a licensed psychologist & certified group psychotherapist.

Therapy groups should be (1) in the Los Angeles metropolitan area, (2) in an outpatient setting, (3) under the direction of a licensed mental health professional, (4) either supportive, process, psychoeducational, or consultative, (5) either currently running or in wait-list formation. Groups do not have to be open to referrals at this time.

A free service to professionals, to list your groups on The Group List (either currently running or in wait-list formation), complete this form and submit it to the editor. We do not list detailed information on dates, times, or fees for groups. Groups by pre-licensed facilitators must be listed under their licensed supervisor's name and license number.

While the editor makes every effort to ensure the accuracy of information presented in this list, the user is cautioned that this list could include typographical errors and/or technical inaccuracies. Listings are subject to change without notification. This list is provided with the understanding that the editor is not engaged in rendering a professional service in the form of a recommendation or an endorsement. The editor does not represent or warrant that any specific group is appropriate for any specific individual or specific purpose. Groups are presumed to be either facilitated by or supervised by independently licensed mental health professionals; however, credentials have not been verified.
