The HIV Drug & Alcohol Task Force (HIV DATF), in collaboration with Susan Holt, Psy.D, founder and manager of the L.A. LGBT Center's STOP Intimate Partner Abuse & Violence Program invite you and your staff to attend our 2-part training on **Domestic Violence, Substance USE & HIV**. Part 1 is on November 12, 2014 and Part 2 is on December 10th. Please see attached flyer for details.

hivdatf.org

**We are also trying to put together a resource fair.** Would you be interested in having a table (or ½ or ¼ table) for your agency literature? There would be no cost associated with being part of the resource fair, and if you have someone who wants to sit at the table during the training they would be able to attend at no cost. If you are interested, please email me with the details of who will be attending and how much space you will need for your agency literature. If you know of any agencies which might be interested in either sending attendees and/or being a part of the resource fair, would you please forward this email to them?

Most of the HIV DATF training attendees work in the substance use disorder treatment, but many come from mental health and HIV services. We usually cap registration at about 100 people per training. We provide CEUs for people who work in the field of addictions and BBS CEUs. We also provide SAPC-approved HIV training hours.

To register, please go to <http://hivdatf.org/2014trainings> or complete the attached flyer and fax it back to me at 323-461-5683

We hope to see you at the training. If you have any questions, please do not hesitate to contact me by phone 9323-251-9025) or email ([sforrest@bhs-inc.org](mailto:sforrest@bhs-inc.org))
