### National Female Condom Coalition

The mission of the National Female Condom Coalition is to increase awareness, access, and use of female condoms through education, advocacy, and collaboration. The National Female Condom Coalition (NFCC) is a partnership of U.S. and U.S.-based advocates, researchers, health departments, community-based and national organizations that advances a mission to increase awareness, acceptance, access, and use of female condoms.

# Procurement

Providers have multiple options for obtaining FC2

- 1. Use condom purchase line items to purchase FC2 through vendors such as TAG or GPC
- 2. Upon Boot Camp completion contact Phillip Phan [pphan@ph.lacounty.gov](mailto:pphan@ph.lacounty.gov) & request FC2 for your program
- 3. L.A. Condom.com (MSM targeted campaign)- webpage has listing of clinics and sites that provide male and female condoms. (Some listings are incorrect)
- 4. Covered under ACA as an over the counter contraceptive. Pharmacies can be reimbursed
